(I) APPROVING THE DEBTORS' PROPOSED ADEQUATE ASSURANCE OF
PAYMENT FOR FUTURE UTILITY SERVICES, (II) PROHIBITING UTILITY
COMPANIES FROM ALTERING, REFUSING, OR DISCONTINUING SERVICES,
(III) APPROVING THE DEBTORS' PROPOSED PROCEDURES FOR RESOLVING
ADDITIONAL ASSURANCE REQUESTS, AND (IV) GRANTING RELATED RELIEF**

Specialty Retail Shops Holding Corp. and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors") respectfully state as follows in support of this motion (this "Motion"):

Relief Requested

1. The Debtors seek entry of an order: (a) approving the Debtors' Proposed Adequate Assurance of payment for future utility services; (b) prohibiting Utility Companies from altering, refusing, or discontinuing services; (c) approving the Debtors' proposed procedures for resolving Adequate Assurance Requests (as such terms are defined below); and (d) granting related relief. In addition, the Debtors request leave to submit a proposed order for the Court's consideration to grant the relief requested herein.²

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Specialty Retail Shops Holding Corp. (0029); Pamida Stores Operating Co., LLC (6157); Pamida Transportation, LLC (4219); Penn-Daniels, LLC (0040); Place's Associates' Expansion, LLC (7526); Retained R/E SPE, LLC (6679); Shopko Finance, LLC (1152); Shopko Gift Card Co., LLC (2161); ShopKo Holding Company, LLC (0171); ShopKo Institutional Care Services Co., LLC (7112); ShopKo Optical Manufacturing, LLC (6346); ShopKo Properties, LLC (0865); ShopKo Stores Operating Co., LLC (6109); SVS Trucking, LLC (0592). The location of the Debtors' service address is: 700 Pilgrim Way, Green Bay, Wisconsin 54304.

² The relief sought herein would be subject to: (a) any order approving the Debtors' use of cash collateral and/or any postpetition financing facilities (the "DIP Order"), the documentation in respect of any such postpetition

Jurisdiction and Venue

2. The United States Bankruptcy Court for the District of Nebraska (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and Nebraska General Rule 1.5 of the United States District Court for the District of Nebraska. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of an order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a) and 366 of the Bankruptcy Code, Bankruptcy Rules 6003, and 6004, and Rule 9013-1 of the Nebraska Rules of Bankruptcy Procedure (the “Local Rules”).

General Background

5. The Debtors are engaged in the sale of general merchandise including clothing, accessories, electronics, and home furnishings, as well as company operated pharmacy and optical services departments. The Debtors are headquartered in Green Bay, Wisconsin, and operate approximately 367 stores in 25 states throughout the United States, as well as e-commerce operations. The Debtors and their non-Debtor subsidiaries generated approximately \$2.6 billion in revenue in fiscal year 2017 and currently employ approximately 14,000 people throughout the United States.

financing facilities and/or use of cash collateral (the “DIP Documents”), the budget governing any such postpetition financing and/or use of cash collateral (the “DIP Budget”); and (b) any and all claims, liens, security interests, and priorities granted in connection with such postpetition financing facilities and/or use of cash collateral (the “DIP Claims”).

6. On the date hereof (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their business and manage their properties as debtors and debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrently with the filing of this motion, the Debtors have requested procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No party has requested the appointment of a trustee or examiner in these chapter 11 cases, and no committees have been appointed or designated.

7. A description of the Debtors’ businesses is more fully set forth in the *Declaration of Russell L. Steinhorst, Chief Executive Officer of Specialty Retail Shops Holding Corp., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously herewith.

Background

I. The Utility Services and Utility Companies.

8. In connection with the operation of their business and management of their properties, the Debtors obtain electricity, natural gas, propane, telecommunications, water, waste management (including sewer and trash), internet, and other similar services (collectively, the “Utility Services”) from a number of utility companies or brokers (collectively the “Utility Companies,” and each individually, a “Utility Company”). A list of the Utility Companies and their affiliates that provide Utility Services to the Debtors as of the Petition Date is attached hereto as **Exhibit A** (the “Utility Services List”).³

³ The inclusion of any entity on, or the omission of any entity from, the Utility Services List is not an admission by the Debtors that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights with respect to any such determination.

9. The Debtors also indirectly remit payment to certain of these Utility Companies through third parties. Specifically, certain of the Debtors' landlords (collectively the "Landlords") pay various Utility Companies directly for "non-technical" Utility Services such as water, sewer, power, and janitorial services, and the Debtors, in turn, reimburse the Landlords.⁴ The Landlords directly pay these non-technical Utility Services because the services are tied to the maintenance and operation of the real estate of the Debtors' facilities, as opposed to technical Utility Services, such as more advanced telecommunications and internet services, which the Debtors directly pay. As such, the Proposed Adequate Assurance (as defined below) does not allocate any amounts toward these Utility Companies because they do not directly rely on the Debtors for payment for their services. However, out of an abundance of caution, the relief requested herein is requested with respect to all Utility Companies providing Utility Services to the Debtors, whether the Utility Company receives payment directly from the Debtors or indirectly from a third party on behalf of the Debtors.

10. Uninterrupted Utility Services are essential to the Debtors' ongoing business operations and hence, the overall success of these chapter 11 cases. The Debtors' business includes approximately 367 brick and mortar retail locations, as well as distribution centers, an optical lab, and corporate offices. These locations require electricity, telecommunications, internet, water, waste management (including sewer and trash), and other Utility Services to operate. Should any Utility Company refuse or discontinue service, even for a brief period, the Debtors' business operations would be severely disrupted, and such disruption would jeopardize the Debtors' ability

⁴ Specifically, the Landlords provide the Debtors with monthly invoices of suspected charges due to these various "non-technical" Utility Companies that provide "non-technical" Utility Services. The Debtors then deposit the monthly invoice amounts into designated bank accounts, from which the Landlords draw to fund these utility payments.

to manage their reorganization efforts. Accordingly, it is essential that the Utility Services continue uninterrupted during these chapter 11 cases.

11. To the best of the Debtors' knowledge, there are no defaults or arrearages with respect to the Debtors' undisputed invoices for prepetition Utility Services. On average, the Debtors pay approximately \$2.583 million each month for Utility Services, calculated as a historical average payment for the 12-month period ended December 2018. Accordingly, the Debtors estimate that their cost for Utility Services during the first 21 days of these chapter 11 cases (not including any deposits to be paid) will be approximately \$2.26 million. The Debtors estimate the amount currently held by the Utility Companies as deposits or prepayments is approximately \$150,000 in the aggregate.

12. In the ordinary course of business, the Debtors pay certain of the Utility Companies through third party agents. Specifically, ENGIE Insight, Inc. previously known as ECOVA, Inc., Cass Information Systems, Inc., and DRM Waste Management Corp. (collectively, the "Utility Agents"), pay certain Utility Companies Providers directly for Utility Services on behalf of the Debtors. In practice, the Utility Companies submit invoices directly to the Utility Agents. In general, the Utility Agents then bill the Debtors electronically 10 days in advance of the date payment is due to a particular Utility Company. The Debtors then transfer funds to the Utility Agents, who in turn pay the Utility Companies on the Debtors' behalf as payments for Utility Services come due. The Utility Agents invoice the Debtors for their services on a monthly basis, separate from the invoices submitted to the Debtors on behalf of the Utility Companies for Utility Services (collectively, the "Utility Agent Fees"). On average, the Debtors pay approximately \$12,154 in the aggregate per month in Utility Agent Fees.

13. The Debtors estimate that approximately \$11,324 in prepetition Utility Agent Fees will become due and owing to the Utility Agents within 21 days after the Petition Date. The Debtors seek authority to honor any amounts owed on account of prepetition Utility Agent Fees and to pay any Utility Agent Fees that may arise on a postpetition basis in the ordinary course of business in accordance with prepetition practices to ensure the Utility Services are uninterrupted.

14. The Debtors believe that cash held by the Debtors, generated in the ordinary course of business, and cash otherwise available to the Debtors will provide sufficient liquidity to pay the Utility Agents in accordance with prepetition practice during the pendency of these chapter 11 cases.

II. Proposed Adequate Assurance of Payment.

15. The Debtors intend to pay postpetition obligations owed to the Utility Companies in a timely manner. Cash held by the Debtors, cash generated in the ordinary course of business, and cash otherwise available to the Debtors will provide sufficient liquidity to pay the Debtors' Utility Service obligations in accordance with prepetition practice.⁵

16. To provide additional assurance of payment, the Debtors propose to deposit \$1.29 million (the "Adequate Assurance Deposit") for the benefit of the Utility Companies. The Adequate Assurance Deposit represents an amount sufficient to cover two weeks of the Debtors' average monthly cost of Utility Services, calculated as a historical average payment for the 12-month period ended December 2018, less the amount of Prepetition Deposits held by the Utility Companies. The Adequate Assurance Deposit will be held for the benefit of the Utility

⁵ The relief sought herein would be subject to: (a) any order approving the Debtors' use of cash collateral and/or any postpetition financing facilities (the "DIP Order"), the documentation in respect of any such postpetition financing facilities and/or use of cash collateral (the "DIP Documents"), the budget governing any such postpetition financing and/or use of cash collateral (the "DIP Budget"); and (b) any and all claims, liens, security interests, and priorities granted in connection with such postpetition financing facilities and/or use of cash collateral (the "DIP Claims").

Companies (the “Adequate Assurance Account”) for the duration of these chapter 11 cases and may be applied to any postpetition defaults in payment to the Utility Companies. The Adequate Assurance Deposit will be held by the Debtors, and the Debtors’ creditors will have no lien on any Adequate Assurance Deposit to the extent not returned to the Debtors pursuant to the terms set forth in the Order or the Adequate Assurance Account.

17. The Debtors, however, shall have the right to reduce the Adequate Assurance Deposit to the extent: (a) the Adequate Assurance Deposit includes an amount on account of a Utility Company that the Debtors subsequently determine should be removed from the Utility Services List; (b) a Utility Company and/or corresponding account has been removed from the Utility Services List because the Debtors no longer operate the location that was previously serviced by such Utility Company; (c) that any Utility Company has instead been provided with a letter of credit or some other form of security acceptable to the Utility Company; or (d) an Additional Adequate Assurance Request (as defined below) is properly served by a Utility Company and any settlement results in such Utility Company’s removal from the Utility Services List or in the payment of alternate assurance to the Utility Company.

18. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors’ ability to pay for future utility services in accordance with prepetition practice (collectively, the “Proposed Adequate Assurance”), constitutes sufficient adequate assurance to the Utility Companies in full satisfaction of section 366 of the Bankruptcy Code.

III. The Adequate Assurance Procedures.

19. In light of the severe consequences to the Debtors’ businesses and operations that would result from any interruption in Utility Services, but recognizing the right of the Utility Companies to evaluate the Proposed Adequate Assurance, if a Utility Company believes

additional adequate assurance is required, it may request such assurance pursuant to the following procedures (the “Adequate Assurance Procedures”):

- a. The Debtors will serve a copy of this Motion and the order granting the relief requested herein to each Utility Company within 10 business days after entry of the order by the Court.
- b. Subject to paragraphs (c)–(l) below, the Debtors will deposit the Adequate Assurance Deposit, in the aggregate amount of \$1.29 million, in the Adequate Assurance Account as soon as practicable after entry of the order granting this Motion.
- c. Each Utility Company shall be entitled to their pro rata share, based on the Debtors historical average payment for the 12-month period ended December 2018, of the funds in the Adequate Assurance Account.
- d. If an amount relating to Utility Services provided postpetition by a Utility Company is unpaid, and remains unpaid beyond any applicable grace period, such Utility Company may request a disbursement from the Adequate Assurance Account by giving notice to: (i) the Debtors, Specialty Retail Shops Holding Corp., 700 Pilgrim Way, Green Bay, Wisconsin, 54304, Attn: Russell L. Steinhorst, Chief Executive Officer; (ii) proposed counsel to the Debtors, Kirkland & Ellis LLP, 300 North LaSalle, Chicago, Illinois 60654, Attn: Travis Bayer, Esq., and Jamie Netznik, Esq.; Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn: Steven Serajeddini, Esq. (iii) proposed co-counsel to the Debtors, McGrath North Mullin & Kratz, P.C. LLO, 1601 Dodge St., Omaha, Nebraska 68102, Attn: James Niemeier, Esq.; (iv) the Office of the United States Trustee for the District of Nebraska, 111 S. 18th Plz #1125, Omaha, Nebraska 68102, Attn: Jerry Jensen, Esq.; (v) counsel to Wells Fargo Bank, N.A., Otterbourg P.C., 230 Park Avenue, New York, New York 10169, Attn: Chad Simon, Esq.; (vi) counsel to any committee appointed in these cases; and (vii) to the extent not listed herein, those parties requesting notice pursuant to Bankruptcy Rule 2002 (collectively, the “Notice Parties”). The Debtors shall honor such request within 5 business days after the date the request is received by the Debtors, subject to the ability of the Debtors and any such requesting Utility Company to resolve any dispute regarding such request without further order of the Court. To the extent a Utility Company receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.
- e. The portion of the Adequate Assurance Deposit attributable to each Utility Company (including any additional amount deposited upon request of any applicable Utility Company) shall be returned to the Debtors, no later than 5 business days following the earlier of (i) reconciliation and payment by the Debtors of the Utility Company’s final invoice in accordance with

applicable nonbankruptcy law following the Debtors' termination of Utility Services from such Utility Company or (ii) the effective date of any chapter 11 plan confirmed in these chapter 11 cases.

- f. Any Utility Company desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an "Additional Assurance Request") on the Notice Parties.
- g. Any Additional Assurance Request must (i) be in writing, (ii) identify the location for which the Utility Services are provided, (iii) summarize the Debtors' payment history relevant to the affected account(s), including any information related to Prepetition Deposits held, (iv) explain why the Utility Company believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment, and (v) provide evidence that the Debtors have a direct obligation to the Utility Company.
- h. Unless and until a Utility Company timely files an objection or serves an Additional Assurance Request, such Utility Company shall be: (i) deemed to have received adequate assurance of payment "satisfactory" to such Utility Company in compliance with section 366 of the Bankruptcy Code; and (ii) forbidden to discontinue, alter, or refuse services to, or discriminate against, the Debtors on account of any unpaid prepetition charges, or require additional assurance of payment other than the Proposed Adequate Assurance.
- i. Upon the Debtors receipt of any Additional Assurance Request, the Debtors shall promptly negotiate with such Utility Company to resolve such Utility Company's Additional Assurance Request.
- j. The Debtors may, without further order from the Court, resolve any Additional Assurance Request by mutual agreement with a Utility Company and, the Debtors may, in connection with any such agreement, provide a Utility Company with additional adequate assurance of payment, including, but not limited to, cash deposits, prepayments, or other forms of security if the Debtors determine, in consultation with counsel to the agents under the Debtors' postpetition financing facilities, that such additional adequate assurance is reasonable.
- k. If the Debtors and the Utility Company are not able to reach an alternative resolution within 14 days of receipt of the Additional Assurance Request, the Debtors will request a hearing before the Court at the next regularly scheduled omnibus hearing to determine the adequacy of assurances of payment with respect to a particular Utility Company (the "Determination Hearing") pursuant to section 366(c)(3) of the Bankruptcy Code.

- l. Pending resolution at any such Determination Hearing, the Utility Company filing such Additional Assurance Request shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors on account of unpaid charges for prepetition services or on account of any objections to the Proposed Adequate Assurance.
- m. The Adequate Assurance Deposit deposited into the Adequate Assurance Account on behalf of any Utility Company (including any additional amount deposited upon request of any applicable Utility Company) will be returned to the Debtors, less any amounts owed on account of unpaid, postpetition Utility Services, by no later than 5 business days following the earlier of the date upon which (i) a chapter 11 plan becomes effective after being confirmed in these chapter 11 cases or (ii) the Debtors provide notice to a Utility Company that services provided to the Debtors by such Utility Company no longer will be needed.

20. The Adequate Assurance Procedures set forth a streamlined process for Utility Companies to address potential concerns with respect to the Proposed Adequate Assurance, while allowing the Debtors to administer their chapter 11 estates without interruption. More specifically, the Adequate Assurance Procedures permit a Utility Company to object to the Proposed Adequate Assurance by serving an Adequate Assurance Request upon certain Notice Parties. The Debtors, in their discretion, may then resolve any Adequate Assurance Request by mutual agreement with the Utility Company and without further order of the Court. If the Adequate Assurance Request cannot be resolved by mutual agreement, the Debtors may seek Court resolution of the Adequate Assurance Request.

21. Absent compliance with the Adequate Assurance Procedures, the Debtors request that the Utility Companies, including those subsequently added to the Utility Services List, be forbidden from altering, refusing, or discontinuing service or requiring additional assurance of payment other than the Proposed Adequate Assurance, pending entry of a final order approving the relief requested herein.

IV. Modifications to the Utility Services List.

22. To the extent the Debtors identify new or additional Utility Companies or discontinue services from existing Utility Companies, the Debtors seek authority to add or remove parties from the Utility Services List. For any Utility Company that is subsequently added to the Utility Services List, the Debtors will serve such Utility Company with a copy of the Court's order regarding Utility Services, including the Adequate Assurance Procedures. The Debtors request that the terms of such Utility Services order and the Adequate Assurance Procedures apply to any subsequently identified Utility Company.

Basis for Relief

23. Section 366 of the Bankruptcy Code protects a debtor against the immediate termination or alteration of utility services after the Petition Date. *See* 11 U.S.C. § 366. Section 366(c) of the Bankruptcy Code requires the debtor to provide “adequate assurance” of payment for postpetition services in a form “satisfactory” to the utility company within thirty days of the petition, or the utility company may alter, refuse, or discontinue service. 11 U.S.C. § 366(c)(2). Section 366(c)(1) of the Bankruptcy Code provides a non-exhaustive list of examples for what constitutes “assurance of payment.” 11 U.S.C. § 366(c)(1). Although assurance of payment must be “adequate,” it need not constitute an absolute guarantee of the debtors’ ability to pay. *See, e.g., In re Great Atl. & Pac. Tea Co.*, No. 11-1338 (CS) 2011 WL 5546954, at *5 (Bankr. S.D.N.Y. Nov. 14, 2011) (finding that “[c]ourts will approve an amount that is adequate enough to insure against unreasonable risk of nonpayment, but are not required to give the equivalent of a guaranty of payment in full”); *In re Caldor, Inc.*, 199 B.R. 1, 3 (S.D.N.Y. 1996) (“Section 366(b) requires . . . ‘adequate assurance’ of payment. The statute does not require an absolute guarantee of payment.” (citation omitted)), *aff’d sub nom. Va. Elec. & Power Co. v. Caldor, Inc.*, 117 F.3d 646 (2d Cir. 1997).

24. When considering whether a given assurance of payment is “adequate,” the Court should examine the totality of the circumstances to make an informed decision as to whether the Utility Company will be subject to an unreasonable risk of nonpayment. *See In re Keydata Corp.*, 12 B.R. 156, 158 (B.A.P. 1st Cir. 1981) (citing *In re Cunha*, 1 B.R. 330 (Bankr. E.D. Va. 1979)); *In re Adelphia Bus. Solutions, Inc.*, 280 B.R. 63, 82–83 (Bankr. S.D.N.Y. 2002). In determining the level of adequate assurance, however, “a bankruptcy court must focus upon the need of the utility for assurance, and . . . require that the debtor supply no more than that, since the debtor almost perforce has a conflicting need to conserve scarce financial resources.” *Va. Elec. & Power Co.*, 117 F.3d at 650 (internal quotations omitted) (citing *In re Penn Jersey Corp.*, 72 B.R. 981, 985 (Bankr. E.D. Pa. 1987)); *see also Great Atl. & Pac.*, 2011 WL 5546954, at *5–6 (holding that no additional adequate assurance deposit was necessary where such deposit would impose an unreasonable burden on reorganizing debtors). Accordingly, demands by a Utility Company for a guarantee of payment should be refused when the Debtors’ specific circumstances already afford adequate assurance of payment. *See Great Atl. & Pac.*, 2011 WL 5546954, at *5–6 (holding that no additional adequate assurance deposit was necessary where such deposit would impose an unreasonable burden on reorganizing debtors); *In re Penn. Cent. Transp. Co.*, 467 F.2d 100, 103–04 (3d Cir. 1972) (affirming bankruptcy court’s ruling that no utility deposits were necessary where such deposits likely would “jeopardize the continuing operation of the debtor merely to give further security to suppliers who already are reasonably protected”).

25. Here, the Utility Companies are adequately assured against any risk of nonpayment for future services; especially in light of the Debtors history of paying all utility bills on time and in the ordinary course. The Adequate Assurance Deposit and the Debtors’ ongoing ability to meet obligations as they come due in the ordinary course, and the indirect payments being made by the

Landlords on behalf of the Debtors to various Utility Companies, provide assurance of the Debtors' payment of their future obligations. Without the Adequate Assurance Procedures, a utility company could delay a request for adequate assurances until the last minute in an attempt to force the Debtors to agree to its request or face cessation of essential services. *See In re Circuit City Stores, Inc.*, No. 08-35653, 2009 WL 484553, at *5 (Bankr. E.D. Va. Jan. 14, 2009). The orderly process contemplated by this Motion is necessary for the Debtors' smooth transition into chapter 11, and it will establish a fair process to ensure that all parties act in good faith. *E.g. id.*; *cf. In re Monroe Well Serv., Inc.*, 83 B.R. 317, 321–22 (Bankr. E.D. Pa. 1988) (noting that without utility service the debtors “would have to cease operations” and that section 366 of the Bankruptcy Code “was intended to limit the leverage held by utility companies, not increase it”).

26. Courts are permitted to fashion reasonable procedures, such as the Adequate Assurance Procedures proposed herein, to implement the protections afforded under section 366 of the Bankruptcy Code. *See, e.g., Circuit City* 2009 WL 484553, at *5 (stating that “[t]he plain language of § 366 of the Bankruptcy Code allows the Court to adopt the Procedures set forth in the Utility Order”); *Potomac Elec. Power Co. v. Rowe Cos.*, No. 06-1464, 2007 WL 656897, at *1 (E.D. Va. Feb. 26, 2007) (upholding the bankruptcy court’s entry of adequate assurance procedures). Such procedures are important because, without them, the Debtors “could be forced to address numerous requests by utility companies in an unorganized manner at a critical period in their efforts to reorganize.”

27. Moreover, notwithstanding a determination that the Proposed Adequate Assurance constitutes sufficient adequate assurance, any rights the Utility Companies believe they have under sections 366(b) and (c)(2) of the Bankruptcy Code are wholly preserved under the Adequate Assurance Procedures. *See Circuit City*, 2009 WL 484553, at *5–6. The Utility Companies still

may choose, in accordance with the Adequate Assurance Procedures, to request modification of the Proposed Adequate Assurance. *See id.* at *6. The Adequate Assurance Procedures, however, avoid a haphazard and chaotic process whereby each Utility Company could make an extortionate, last-minute demand for adequate assurance that would force the Debtors to pay under the threat of losing critical Utility Services. *See id.* at *5.

28. Because the Adequate Assurance Procedures are reasonable and in accord with the purposes of section 366 of the Bankruptcy Code, the Court should grant the relief requested herein. Indeed, similar procedures have been approved by courts in this district. *See, e.g., In re Gordmans Stores, Inc.*, No. 17-80304 (TLS) (Bankr. D. Neb. Mar., 29, 2017) (approving payment of equal to two weeks of utility service into segregated interest bearing account as adequate assurance to utility companies); *In re Pawn Am., LLC*, No. 17-31145 (RJK) (Bankr. D. Minn. Apr. 14, 2017) (same); *In re Payless Holdings, LLC*, No. 17-42267 (KSS) (Bankr. E.D. Mo. May 9, 2017) (approving payment of third party agent fees and payment of equal to two weeks of utility service into segregated interest bearing account as adequate assurance to utility companies); *In re THI Hockey, Inc.*, No. 16-44815 (CER) (Bankr. E.D. Mo. July 8, 2016) (approving payment of equal to two weeks of utility service into segregated interest bearing account as adequate assurance to utility providers); *In re Peabody Energy Corp.*, No. 16-42529 (BSS) (Bankr. E.D. Mo. Apr. 15, 2016) (same); *In re Arch Coal, Inc.*, No. 16-40120 (CER) (Bankr. E.D. Mo. Jan. 14, 2016) (same).⁶

29. Further, the Court possesses the power, under section 105(a) of the Bankruptcy Code, to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” The Adequate Assurance Procedures and the

⁶ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request to the Debtors’ proposed counsel.

Proposed Adequate Assurance are necessary and appropriate to carry out the provisions of the Bankruptcy Code, particularly section 366 thereof. Accordingly, the Court should exercise its powers under sections 366 and 105(a) of the Bankruptcy Code and approve both the Adequate Assurance Procedures and the Proposed Adequate Assurance.

Processing of Checks and Electronic Fund Transfers Should Be Authorized

30. The Debtors have sufficient funds to pay the amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations, debtor-in-possession financing, and anticipated access to cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Utility Services. Accordingly, the Debtors believe that checks or wire transfer requests, other than those relating to authorized payments, will not be honored inadvertently. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

The Requirements of Bankruptcy Rule 6003 Are Satisfied

31. Bankruptcy Rule 6003 empowers a court to grant relief within the first 21 days after the Petition Date "to the extent that relief is necessary to avoid immediate and irreparable harm." For the reasons discussed above, the Court should: (a) approve the Debtors' Proposed Adequate Assurance payment for future utility services; (b) prohibit Utility Companies from altering, refusing, or discontinuing services; (c) approve the Debtors' proposed procedures for resolving Adequate Assurance Requests; and (d) grant the other relief requested herein, because such relief is integral to the Debtors' ability to transition their operations into these chapter 11 cases. Failure to receive such authorization and other relief during the first 21 days of these chapter 11 cases

would severely disrupt the Debtors' operations at this critical juncture. For the reasons discussed herein, the relief requested is necessary in order for the Debtors to operate their businesses in the ordinary course and preserve the ongoing value of the Debtors' operations and maximize the value of their estates for the benefit of all stakeholders. The Motion requests relief from procedural rules and requirements that pertain to matters of immediate significance or which involve deadlines sooner than 21 days after the Petition Date. Accordingly, the Debtors submit that they have satisfied the "immediate and irreparable" standard of Bankruptcy Rule 6003 to support granting the relief requested herein.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

32. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Reservation of Rights

33. Nothing contained herein is intended or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim, (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended and should not be construed as an
